

InflaRx N.V. Announces Appointment of Jens Holstein to Board of Directors

Jena, Germany, September 21, 2018 – InflaRx N.V. (Nasdaq: IFRX), a biopharmaceutical company developing innovative therapeutics to treat life-threatening and devastating inflammatory diseases by targeting the complement system, a key component of the innate immune system, announced today that Jens Holstein has been appointed as a new board member of InflaRx, serving as Non-Executive Director. The appointment was approved by the Extraordinary General Meeting of shareholders held today in Amsterdam, the Netherlands. Mr. Holstein has extensive management experience in the biotechnology and healthcare industry and currently serves as CFO of Morphosys AG.

“We are delighted to have Mr. Jens Holstein join our Board of Directors,” said Niels Riedemann, Chief Executive Officer and founder of InflaRx. “Mr. Holstein brings with him in depth industry experience through numerous financial leadership positions he held in both Biotech and Healthcare over the course of his career. His expertise will be invaluable to InflaRx as we move forward.”

“I am pleased to have the opportunity to join the InflaRx Board of Directors at such an important juncture in the company’s development,” stated Mr. Holstein. I am impressed with what the team has accomplished thus far, and I very much look forward to contributing to InflaRx’s continued success in the years to come.”

Mr. Holstein currently serves as Chief Financial Officer of MorphoSys AG, a dual-listed (Frankfurt and Nasdaq) drug development company. He joined MorphoSys in 2011 from Fresenius, a global healthcare company, where he served as Regional CFO for the Europe/Middle East region of Fresenius Kabi AG, and as Managing Director of Fresenius Kabi Deutschland GmbH. Over his nearly 16 years at Fresenius, Mr. Holstein held a variety of financial and general management positions, including Regional CFO of Fresenius Kabi Asia Pacific Ltd., Managing Director of Fresenius ProServe GmbH and Chief Financial

Officer and Labor Director of the company's subsidiary, Wittgensteiner Kliniken AG. Prior to joining Fresenius, Mr. Holstein spent several years in the consulting industry in Frankfurt and London. He holds a Diploma in Business Administration from the University of Muenster.

About InflaRx N.V.:

InflaRx (Nasdaq:IFRX) is a clinical-stage biopharmaceutical company focused on applying its proprietary anti-C5a technology to discover and develop first-in-class, potent and specific inhibitors of C5a. Complement C5a is a powerful inflammatory mediator involved in the progression of a wide variety of autoimmune and other inflammatory diseases. InflaRx was founded in 2007 and has offices in Jena and Munich, Germany as well as Ann Arbor, Michigan, and New York City, USA. InflaRx is listed on the Nasdaq Global Select Market in the United States under the trading symbol "IFRX". For further information please visit www.inflarx.com.
